

FRIENDS OF LORENZO 2021 LANDSCAPE SCAVENGER HUNT

Directions

- ♦ Follow the clues - answer the question **or** fill in the word on the sign at each stop.
- ♦ Fill out your name and contact information, return to raffle box on South Cottage porch to enter the prize drawing!
- ♦ Only correctly completed game sheets are eligible to win.

1. While in the parking lot find the cottage named for a direction on the compass. On the porch you will find extra game sheets and the raffle box to leave your completed sheet for the prize drawing! _____

2. From the parking lot journey west along the along the path and stop to find the “holy” cottage. _____

3. Past the “holy” cottage and under the “bridge” take a left to find the name of the “refrigerator” building. _____

4. Back on the path, pass the “bridge” on your right. Around the corner to the left and find a “barking” sketch. Who is the subject of the sketch?

5. Down the driveway towards the lake to find the number “1807” as you look at the front of Lorenzo. _____

6. Turn to enjoy the view of Cazenovia Lake and learn when the Norway spruce was planted on the front lawn.

7. Back the way you came to look for a black locust tree planted in 1819!

8. Just through the garden gate look to the left to find a playhouse that might “keep the doctor away?” _____

9. Continue your journey down the garden path and you will find a group of us that have a number. We come in shades of pink, burgundy, and white!

10. At the benches veer off the path to the right and find this tall bloom. _____

11. Return to the path to find a “garden clock”. Who installed this in the garden? _____

12. Continuing south on the trail towards the woods, stop at the “horse’s water fountain” to learn what year it was placed in the garden. _____

13. Take the path to the right into the woods and stop to learn the name of this tree line. _____

14. At the end of the path find the boulders behind the bench. _____

15. Follow the main path to your right to find a tiny abode. _____

16. Continue on your way to find me, a young Norway spruce. I was dressed like this for the holidays, can you recognize me today? _____

17. At the end of the path turn left and walk around the outer edge of the Dark Aisle to a stand of Locust trees and find this scythe blade that was left behind long ago. _____
